EVENT PACKAGE FAQ'S

1. Which bar package is your most popular?

El Clásico is by far the most popular choice among my clients. With this package, you get the extra hour, ice, plasticware, cocktail napkins, menu display, and portable bar included, free of additional add-on charges.

2. I am expecting a large number of guests at my party—which package would you recommend?

The Signature Sabor package is best-suited for larger, longer events. For parties above 65 people, this would be the package to consider.

3. How large is your portable bar?

My portable bar is roughly 4 feet long, 4 feet tall, and nearly 2 feet in depth, with shelving space included. It is compact enough to take up minimal floor space and works both as a standalone bar or a companion surface space.

4. How much would additional staff members cost?

\$55/hr for each additional staff member.

5. Will I be able to include drink offerings beyond the scope of your signature cocktail menu?

Yes! The signature menu serves as a brainstorming tool. In our pre-event cocktail consultation, you will be able to decide on any cocktail options you would like to offer guests. Drink requests will also be accepted.
